

Think of A Number (1-10)

Double It

Add 8 To The Total

Divide The Total By 2

Subtract The Original Number

Convert The Final Number To
A Letter (A=1, B=2, C=3, D=4, etc.)

Think of the name of a country
which starts with this letter.

Think of an animal whose name
starts with the country's
second letter.

Think of the color of that
animal...
