- Matthew 19:27-30; Matthew 20:20-29
- Luke 19:11; John 18:33-36
- Luke 24:13-26; Acts 1:1-8

The disciples, as well as many others, thought that Jesus, the Messiah, was coming to establish/restore an earthly kingdom.

The Bible says the kingdom is spiritual.

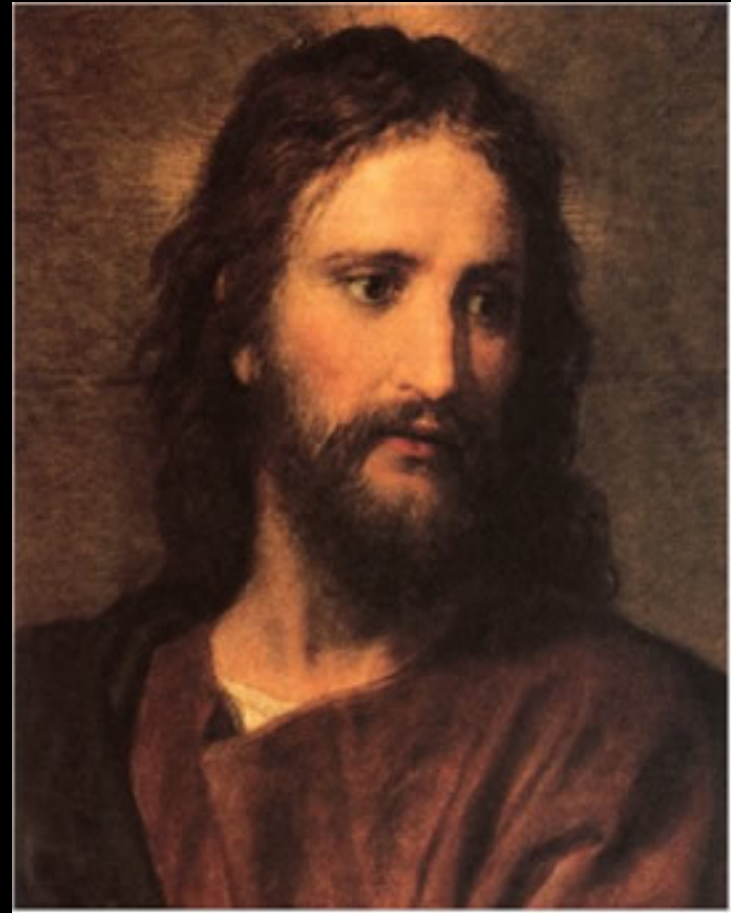

# Kingdom of Jesus

- That there is nothing so difficult to be removed from the mind as prejudice in favour of erroneous opinions.
- That such prejudice will survive the plainest proofs to the contrary.
- That it will often manifest itself even after all proper means have been taken to subdue it. Erroneous opinions thus maintain a secret ascendancy in a man's mind, and are revived by the slightest circumstances, even long after we supposed they were overcome; and even in the face of the plainest proofs of reason or of Scripture.
